

Making the World look more like Heaven, By making Believers look more like Jesus

Exciting news. On August 14th, 2016 Houston Northwest Church pastor Steve Bezner presented Kevin with a License to practice ministry. This had to be approved by the Deacons and Elders of the church. Houston Northwest Baptist Church is our home send church for Big Question International Ministries.

It was with great joy to have our family, HNW family and friends from other churches to celebrate this day with us.

We thank God each and everyday for what he has blessed us with.

Big Question Events

It has truly been an August and September many Houstonians will never forget. His name was/is Harvey and he has truly caused major hardships across this city. But we have never given up on our Lord and Savior. Jesus Christ. Sad to say that our church HNW Baptist took on two to five feet of water in several buildings on our campus. Unfortunately, Kevin and I were unable to get out of our sub division due to high water to help with the cleanup of the church as well as homes in that area. We were truly blessed by the Lord during this historical event.. Thank the Lord for HNW church as they were out in the area helping not just church members but everyone. The campus received many truckloads of supplies that were passed out to the people in our community. Kevin and I helped neighbors mud their homes as well as help clear debris. We were one of three homes that did not flood on our street. Praise to God. The rest of our family was safe.

We are excited to tell you that we are planning a trip to Nairobi, Kenya next week. And will be gone for about 17 days. Our host Pastor James Munene has lined up about seventeen churches for us to train leaders and members of those churches and go out and share the gospel in many communities in this area. We will be joining Houston Northwest Church the week following our arrival in Kenya. Preachers from our church will be teaching the Bible Institute to preachers,. We will also be involved in sharing VBS with many children and joining in with the sewing ministry. We will also be going out into the field sharing the gospel while HNW is there..

As the church members and myself leave to come back to Houston, Kevin will be going on to Lodwar with Pastor Jacob, training church leaders and preachers. He will be there for about 10 days.

I will try to update everyone during our stay . If that is not possible I will update when I get back to Houston. God Bless Houston and Texas. #WeLoveHou

If you know of any organization, church or individual that would like information on the training, you can call or e:mail debhammon.BQIM@gmail.com.

Big Question International Ministries was formed by Kevin and Debbie Hammon in April, 2016. We are not a 501C3 non-profit business, however, we are affiliated with Central Missionary Clearinghouse (CMC) and they are a 501C3 non-profit company.

Our ministry is about teaching leaders and pastors how to go out into their communities to win souls for Jesus Christ.

History Behind Big Question Ministries

In 2002, Kevin retired from HL&P after 20 years of services and was on his path to serving the Lord. Kevin started out going on many mission trips with a local Methodist church to help build churches in many different countries. He has also been on many UM Army trips with the church youth. He has helped build a medical trailer and helped build the first location of Cy Hope here in Houston.

In 2012 we decided to go to El Salvador on an evangelizing mission trip with Good News in Action. We loved it so much that we went back in 2013. After these trips Kevin has never looked back about sharing the good news with individuals all over the world. He does this everyday in our neighborhood as he is out walking and running.

In 2015, Kevin went to South Africa and stayed for 16 days and changed many lives by telling them about Christ.

I have been fortunate to retire this past year and this is what we feel God has led us to do. We hope you will jump on the bandwagon with us and become a part of Big Question International Ministries.
